### Other Sunday School Classes

(At the discretion of their parents, 6th through 12th graders are also encouraged to consider attending one of these)

#### **Romans**                      **Mark Godbey**                      **Rm 112**

This class studies Romans using quarterly material from Scripture Press. The lecture method of teaching is used, however, questions and comments are always welcome.

#### **Discipleship Process**                      **Jason Bakker**                      **Rm 111**

This class includes several sessions on each of the four aspects of ABC's Discipleship Process: KNOW, GROW, GO, & SOW. All attendees of ABC are encouraged to go through this class at some point. However, newcomers and those who have yet to become partners in ministry (formerly "members") of ABC are especially encouraged to attend.

#### **Spiritual Gifts**                      **Monty Vernon**                      **Rm 106**

This class will be working through a study guide by Charles Stanley called *Ministering Through Spiritual Gifts*. The object will be on recognizing one's personal gifts and using them to further the kingdom with the focus being on the seven gifts in Romans 12. The study follows a question and answer format with the objective of personal application. Class time is used primarily for study of the Word and prayer. Lessons often take more than one session to complete since we strive to address questions brought about by the discussion that are relevant to the class members.

#### **James**                      **John Wilkinson & Geraud Moyers**                      **Rm 105**

Using Dr. David Jeremiah's book, *What to Do When You Don't Know What to Do*, this class will study the entire book of James, discovering twelve different situations where we can see how to act and react as people of God. You would be hard pressed to think of a problem you are facing or will face that is not addressed in James' simple, direct book that offers practical and life-changing insight for believers.

#### **The Church (Women only)**                      **Anna Burrill**                      **Rm 202**

This class called *What Does the Bible Say About the Church?* intends to guide participants through Scripture to see, believe, and embrace what God says about the church's nature, purpose, structure, members, roles of members, and overall importance in God's redemptive plan.

#### **The Complete Husband**                      **Scott Graham**                      **Rm 401**

This class will study the book, *The Complete Husband* by Lou Priolo. For the next 12 weeks, we will be challenged in many ways to be the husbands that the Lord Jesus Christ wants each of us to be. This practical book shows men how the Bible instructs them to "know their wives."
