Anniversary Celebration

Mark your calendars! Abingdon Bible Church's 70th anniversary will be observed on Sunday, September 17. We will have a worship service at 10 A.M. and then dinner in the gym, provided by the church. Former pastor Frank Eppinette will be our featured guest. We would like to send out formal invitations to former members and friends. If you know of anyone you'd like to invite, please call the church office. We would also like to video testimonies of what the church has meant to you and your family. What spiritual gifts have you received from attending ABC? Let us know if you'd like to participate.

Prayer Gathering

There will be a Prayer Gathering to express gratitude to the Lord on Sunday, June 25 from 4 – 5 P.M. in the Fellowship Hall. Join us as we come together to express our gratitude to the Lord for who He is and what he does for us. Participants are welcome to pray aloud or pray in silent agreement with those who pray aloud. All ages are encouraged to attend.

Andre Gross Newsletter

As some of you know, Andre Gross (our German volunteer) is spending several weeks this summer at Bancroft Bible Camp. If you would like to keep up with his experiences and know more about what he's learning and how God is preparing him for missions, you can sign up to receive his newsletter. Send your name and email address to andre200794@googlemail.com or text 276.623.3798 and he will get you added.

GPS (Gospel to Public Spaces)

Great first week at GPS Backyard Bible Event...

20+ children heard the Gospel over two evenings. I received this text from one of our people who served in the Deer Run development. "GPS VBS absolutely rocked. I could fill a book with all the blessings from this experience! It is overwhelming. Praising God for allowing us to be part of His plans and growing us in the process. May he grow all the seeds planted in each child's heart."

Be in prayer for this week of GPS:

3 on 3 Tournament at the Coome's Center the 13th and 14th from 6:30 P.M. to 9:00 P.M. Caleb Hayes will be sharing the Gospel on Wednesday evening.

We have a need for 1 or 2 people to serve at Commonwealth Assisted Living this Thursday, June 15th, from 6:30 P.M. to 7:30 P.M. Please let Scott know today if you will be able to join the team.

Jeff McCraw will be sharing the Gospel.

GPS Two by Two meeting following Sunday School in the auditorium! Overview of plan, ideas and prayer.

Missionary of the Week Benjamin & Patricia Broyles

Benjamin Broyles is the son of Terry and Wendy Broyles and he and Patricia are working with Vision Baptist to raise support to go work with the Balkans. In a recent newsletter, they write, "We are very grateful for you and all the prayers for our family as we continue the journey to get to the Balkans! Having you all holding the rope for us is exactly what we need. Baby Scarlett has been doing great and we are thankful for how she continues to grow and make progress. Thank you all who were praying for Paty's citizenship interview. She did great and passed all her tests. But they did not give citizenship yet because they want to review a few things in our case. Please pray we'll receive an answer soon. This will most likely delay our leaving for the field on the date we were wanting. We believe that God has His time for everything, so we are continuing to work to get to Albania soon. We are currently working with a lot of documentation which always takes a lot of time and money. We know that God has called us to go and we are excited to see how He will bring it all about!"

We want to welcome the Broyles family to our services today. Benjamin will be bringing the message in our worship service.

Jerkovic Presentation

On July 2, everyone 3rd grade through adult will meet in the auditorium during the Sunday school hour (11:10 A.M. to noon) for a missions presentation by Tommy and Mary Jerkovic, who were missionary interns at ABC 2007-2008 and currently train and support Christian workers in Germany with connections to Eastern Europe. Children aged 2nd grade and under will have their Sunday school classes as normal.
